

THURSDAY, APRIL 20, 1911.

We are authorized to announce John B. Dow as a candidate for Mayor of Cookeville in the city election of April 27, 1911.

I hereby announce as a candidate for Constable for the town of Cookeville at the election on April 27, and respectfully solicit the support of the voters.
J. W. HUGHES.

We are authorized to announce John Burton as a candidate for Constable at the city election on April 27.

Rigid Economy

If there is any truth in current talk of the street a nice bunch of indebtedness has been accumulated by the gentlemen who have been responsible for the public pursestrings of Cookeville. We refer to the street talk by virtue of being put to that necessity because the report of the financial condition of the corporation had never seen the light of publicity.

We certainly do no violence to facts in saying that our citizens generally believe that public debts have been contracted, and that they desire to know what the debt is and for what purpose it has been made. It is to be regretted that the Board has never seen fit to enlighten the people on this question, for it appears to us that the people who furnish the money have a right to know how it is spent and what any debt put upon them is for.

Practically all of the old Board are not candidates for re-election, so we shall have a new Board. One of their first duties should be the making public the true financial condition of the city. And if conditions are half as bad as rumor makes it, they should use the pruning knife vigorously and continuously.

In other words, rigid economy must be the watchword if Cookeville is to prosper.

The Herald is at a loss to account for any town indebtedness. If we read the laws aright the Board is absolutely forbidden to spend any money unless it is in hand, or to incur any indebtedness on the town.

Public business should be run with the same regard to business methods that govern private affairs, and now that the old guard has deserted the ship and we are to have a new deal, the thing for taxpayers to see to is the election of a capable and careful set of men as aldermen, men who will protect the tax money and cut off every possible expense. And do not make the blunder of electing men who can be controlled by the influences that have held sway ever since the town was incorporated. You might better retain the old Board. The people want a complete change and are wanted to see to it that they get a new deal in reality.

Services at the M. E. Church

Services will be held at the Methodist church Sunday morning and evening by the pastor Rev. W. E. Doss. "Being Religious Under Unfavorable Conditions" will be the subject for the morning discourse. All the members of the church are urged to be present as it is the last Sunday before the district conference meets.

Mt. View Lodge, No. 179, I. O. O. F., notwithstanding the inclement weather, held a splendid meeting on the 14th inst. Quite a lot of routine business was disposed of.

The sick brothers were all reported some better.

The initiatory was conferred upon one applicant in good form. Two brothers applied for and were elected to the 1st degree. We now have a membership of about 180. We are now about the 7th lodge in the state in point of membership.

Lodges that drop no members during this term will receive honorable mention by the Grand Master in his report to the Grand Lodge. We have four members, who, if no further payments are made, are in danger of being dropped. This should not go unnoticed, come across, boys, and don't stand in the way and prevent the honorable mention by the Grand Master of this lodge.

We had a very distinguished visitor, Bro. W. M. Crawford, Past Grand Master of Alabama; also three times representative to the Sovereign Grand Lodge from Alabama, with us and made a most interesting and instructive talk for the good of the order.

The 92nd anniversary of the order will be celebrated in the lodge hall on the night of the 26th inst. by this and the Rebekah lodges. All who are eligible should attend for a good time is promised.

At a call meeting on last Monday night the 1st degree was conferred upon two and the 2nd degree upon three applicants. There will be degree work next meeting.

We can fit your head, your pocket book and your feet in one pair of our Queen Quality or Krippendorff Oxfords.
